

Team Jets Netball Club was established in 2005 to provide players with the opportunity to play netball in the Netball South West Regional Leagues and Tournaments. The Club was previously known as "J United."

Over the past few years we have worked hard to create a Club which offers a high level of performance coaching and training sessions to girls from 12 years of age through to senior level.

Club members are encouraged to gain coaching and umpiring qualifications and to strive for excellence in their individual skill areas to enhance their own personal development. All coaches who work with younger players have been CRB checked, have attended Child Protection Courses and hold First Aid qualifications.

The girls are always busy fundraising undertaking Coaching Days, Quiz Nights, Bingo Nights, 100 Club, Bag packing at local supermarkets and selling raffle tickets at sponsored events. The players and parents also contribute to every trip.

Members of Team Jets are encouraged to be actively involved in the organisation and running of the Jersey Netball Association (JNA). They coach for local clubs and officiate in the local leagues. Members of Team Jets currently hold a number of positions on the Executive and Management Committees of the JNA.

Team Jets is a very proud, well respected and successful netball club. The senior team currently plays in England Netball Premier League 2 and the younger teams, under 14 and under 16, have been placed in the top 10 at National level. Several girls have been selected for the Team Bath Regional Academy and NPL programme following in the footsteps of our very own Serena Guthrie, England International.

We have an open door policy and welcome guidance, help and advice from people with specialised expertise. We value our volunteers and offer opportunities for all.

**Team Jets: "Strive for excellence to become the best."**
